## WHO IS WAGING THE WAR ON TERROR? WHO IS 'ABDOOL?

I had warned one year ago that an act of terrorism could take place in Trinidad for which manufactured evidence would be used to implicate a Muslim.

We remind readers in Trinidad that 'Crimestoppers' (800-tips) offer a reward for information leading to the apprehension of the perpetrator.

- 'Abdool was paid by the predatory elite to plant the bomb in order to replicate what their masters have done,
- 'Abdool is a misguided Muslim belonging to one of three 'Yankee' Muslim Organizations that we have identified,
- 'Abdool is a misguided Muslim who was duped into committing such an act,
- 'Abdool is a Hindu who has assumed a Muslim name,
- 'Abdool is a Christian who has assumed a Muslim name, or
- 'Abdool was paid by the CIA or the Israeli Mossad to become 'Abdool, etc.

Who is 'Abdool? is a question we want to have answered since the use of the name 'Abdool was surely manufactured.

## THE OFFICIAL EXPLANATION OF 9/11 IS FULL OF INCONSISTENCIES

Sufficient time has elapsed since the 9/11 attack on America for our readers to clearly recognize that the official explanation is full of inconsistencies.

It seems quite likely that the Israeli Mossad, collaborating with the American CIA, and masquerading as 'Crimestoppers' in Trinidad, planted the bomb.

The Anglo-American-Israeli war is manifestly wicked and evil and is definitely going to end in failure and defeat. *"By the passage of time through the ages, (that) verily man is ever in a state of loss save those who possess knowledge."* (Qur'an, al-'Asr, 103:1-3)

## STRATEGIC OBJECTIVES OF WAR ON TERROR

Those who wage the unjust 'war on terror' seek to achieve several strategic objectives. Among them the following:

Firstly, the war is waged for the purpose of so demonizing Islam and Muslims with false propaganda that

## **THE WAR ON TERROR AND THE LAST AGE**

While there have always been dictators and imperial rule in history, our Islamic view recognizes this to be

The blessed Prophet conveyed to us the news received from Allah Most High that nine hundred and nine years before the birth of Christ, Allah said to Adam, "When you see the black flags coming from the direction of Khorasan go and join that army." Narrated Abu Said: The Prophet said, "Allah will say, 'O Adam!' Adam will reply, 'Labbaik and Sa'daik' (I will come and help you) (Sahih Bukhari)

Prophet Muhammad spoke not only about the Gog and Magog world-order, but also about Dajjal, the false Messiah.

We are now located at that intriguing moment in time when Dajjal the false Messiah is about to enter into the world. The Prophet said, "When you see the black flags coming from the direction of Khorasan go and join that army." He went on to say,

The blessed Prophet warned that Dajjal's ultimate weapon, which he would use while pursuing his mission, would be the Qur'an.

And it is in the context of Dajjal's use of that ultimate weapon that a Muslim recognizes the American war on terror.

## **ULTIMATE TARGETS OF THE WAR ON TERROR: THE HOLY QUR'AN AND PROPHET MUHAMMAD**

The initial targets of the US-led so-called 'war on terror' are those Muslims who would take up arms to defend Islam.

But beyond those initial targets, the 'war on terror' also seeks to demonize the institutions of Islamic learning.

The third target of the war on terror are the rightly guided scholars of Islam who are capable of providing the leadership that Islam needs. The Prophet said, "It would not be long before nothing remains of Islam but the name, and nothing remains of the Qur'an, but its name" (Sunan Tirmidhi)

The ultimate targets of the war on terror, however, are the Holy Qur'an, itself, and the blessed Prophet Muhammad.

## **THE ATTACK ON LONDON**

Let us now turn to the attack on London that occurred last July 7. A 'Trinidad Guardian' editorial reminisces: "Just in case anyone needed to be reminded, terrorism is alive and well. It has not been beaten back; it has only been driven underground."

I am a 65-year-old Islamic scholar who has devoted his entire life to the study and preaching of Islam and to the defense of Islam and Muslims.

Not to be outdone by the Trinidad Guardian Editorial, a Catholic columnist/priest has gone on to recognize that:

British Prime Minister Tony Blair was quick to finger Muslims (without a shred of supporting evidence that would stand up in a court of law): "It seems probable that the attack was carried out by Islamist extremist terrorists, of the kind who over recent years have carried out such attacks" (Statement before the British Parliament on July 11th 2005).

The British Prime Minister expressed profound pride in his British values of justice, fair play, freedom and democracy.

If the British Prime Minister's alleged 'Islamic extremist terrorists' were in fact responsible for the attack on London, then:

I expect all forms of terrorism, including US-led state-sponsored terrorism, to intensify as the countdown to the invasion of Iraq begins.

I also expect that Islam and Muslims, who are the victims of relentless state-sponsored terrorism in the United States and Britain, will be targeted.

The authentic scholar of Islam who has dedicated his entire life to the study and preaching of Islam, must say:

The amazing thing about that pompous statement is that the Queen, who is head of state in that country, has no power to stop it.

But at least I feel happy that we do not have long to wait for dramatic events to occur in the world that will change the world.

## REJECTION OF THE MALICIOUS TERM ‘ISLAMIC TERRORISM’

We should recognise the US-sponsored view of ‘Islamic’ terrorism as irreconcilable with Islam. It should be rejected.

## ISLAM AND TERRORISM

It would be an exercise in futility to point out to our many critics, including those in my native Trinidad who say:

“. . . being put to death, or crucified, or by cutting off his hand and foot on opposite sides, or by banishment”

(Qur'an, al-Maidah, 5:36)

This is by far the most severe of all divinely ordained punishments. And Muslims around the world would be shocked to learn that this is the punishment for:

It would equally be an exercise in futility to remind so many today that the God of Abraham has warned:

“Oh you who believe (in this Qur'an), when the Arab and (Arab) Persians (Mazdakites) persecute you, then know that it is

The Prophet prophesied the present war on Islam in language that was quite ominous. He declared, for “. . . holding on to Islam would be like holding on to hot coals”, and that “. . . a believer would be forced to rain falls, and take with him some sheep and goats, in order to preserve his faith (in Islam)”. Most ominous (Sunan Abu Daud, Musnad Ahmad)

## **APPENDIX 1:**

**The ultimate targets of the war on terror are the Holy Qur'an and Prophet Muhammad (peace be upon him)**

Let us give the reader an idea of what kind of ultimate attacks we can expect.

Firstly, there are translations of the Qur'an that are incorrect and defective, and are yet in popular use. These are:

The most widely read English translation of the Qur'an, that of the Cambridge University educated Abdur Raheem Green, translates the following verse as follows:

"Oh ye who believe! Take not the Jews and the Christians for your friends and protectors: They are but f

The translator then went on to comment as follows:

"That is, look not to them for help and comfort. They are more likely to combine against you than to help you."

Muhammad Asad, the highly respected European Muslim translator of the Qur'an and distinguished scholar, translates the same verse as follows:

"O you who have attained to faith! Do not take the Jews and the Christians for your allies: they are but a

Asad chose to translate the Arabic word 'wali' as 'ally' rather than 'friend and protector', and went on to provide the following note:

In fact the verse admits all the possible meanings of the word 'wali' and not, as Asad would have us believe, only the meaning of 'ally'.

Both translations of the verse quoted above are dangerously defective. The original Arabic text of the verse is:

The verse is very clear when it identifies the Christians and Jews to whom it specifically refers, namely (John 19:4-7):

At the time of the revelation of the Qur'an, and for more than a thousand years after, Christians and Jews had been identified as the 'enemies of God'.

"Pilate therefore went forth again, and saith unto them, Behold I bring him forth to you, that ye may know him: for ye say that he is a Galilean, and that he perverteth the people, saying that there is one besides me. Know ye therefore that ye are in quest of a king: for there is no king but I." (John 19:4-7)

And so Christianity consistently, and quite correctly so, blamed the Jews for the ‘crucifixion of Jesus, and

It is only in the modern age when Euro-Christianity was attacked and Europe was transformed into a sea

It is quite obvious that there would be manifest contradiction with the Qur'an itself, as well as with the ex

- The Qur'an also permits Muslims to eat Christian and Jewish food and reciprocates by allowing them to

- Prophet Muhammad himself entered into a political and constitutional alliance with Jews in Madina that
